

## Your Maui Real Estate Team ~ An Introduction

Aloha!

Thank you for your consideration in the marketing of your home. We thought you might like to know more about us, our philosophy and our commitment to you:

As a team, we have represented Buyers and Sellers in over \$200 million in real estate transactions across the island. Rob has been named to Hawaii Business Magazine's "Who's Who in Hawaii Real Estate" as a top 100 Realtor in both 2008 and 2010. Courtney was ranked amongst the top 100 agents in Maui, and the top sales agent for Kapalua Realty. In 2012, we joined Island Sotheby's International Realty, and are thrilled to be a part of this network of real estate professionals. We take great pride in using our considerable resources, global connections, and our deep roots within West Maui to perfectly unit qualified people with distinctive properties.

Our team approach ensures the best service for our clients. One of us is always available for showings and to ensure that the property is presented at its best. Our cutting edge marketing focuses both here in the resort communities of West Maui and online, where the majority of buyers begin their search.

Our involvement in real estate goes beyond sales, and holds its foundation in the community in which we live. We both have a long history in the islands and in the resort. Courtney's family goes back to the 1800's, and Rob moved to the island in 1978. Our roots are here in the islands, and we support a variety of local organizations and charities, including the Maui Special Olympics, the Lahainaluna High School Foundation and the Realtor's Association of Maui.

We are committed to helping you achieve your real estate goals with sincere, friendly, and knowledgeable service. We strive to provide you with the most comprehensive analysis of the surrounding market and your home's place within it, as well as to tell the unique story of your home to prospective buyers.

We look forward to working with you!
